Getting Ready For School

Programs In Your Community

You are probably curious about the placements in your area.

There are a lot of people that you can ask:

- ~ Ask the Special Education Director for your school district.
- ~ Ask other parents of children who are deaf or hard of hearing.
- ~ Ask your neighborhood school principal.
- ~ Ask your Infant/Family Specialist or teacher of the Deaf and Hard of Hearing.

You can use this chart to keep track of their information.

Ask for a chance to visit places that sound interesting to you and appropriate for your child. If you have an Infant/Family Specialist, maybe you can go together, and talk about what you have seen.
